

Grabbed by the Trossachs? - Offshore 2010

This year's Scottish offshore moves inshore just for a change

When the time came to plan this year's KGT Scottish section annual offshore trip it was decided it had been too long since members had an opportunity to ride the Lochs and Glens that make up real Scottish Highland scenery, and so this year we move inland to the village of Strathyre in the heart of the Trossachs. As usual, the event is on Maybank holiday weekend, from **Fri April 30th - Mon May 3rd**

Finding your way to Strathyre is really easy. Just head up the M9 motorway past Stirling and turn off at J10 following signs for Callander. Then just keep following the A84 through Callander to the village of Strathyre. The Ben Sheann Hotel is right on the main street through the village, parking at the rear.

Accommodation is a bargain at £25 B&B or £35 for DB&B. There are a couple of other eateries in the village. Price is per person on a basis of sharing a double, twin or triple room. Single will cost more. For the more Spartan members there is Immervoulin campsite about 10 minutes walk away.

I want to come, what do I do?

Call the Ben Sheann Hotel on 0845 2264922 to book a room. Be sure to quote "Kawasaki GT Club" or they may say they are full or charge more. If you need someone to share with let me know. The hotel will ask for a deposit which you can pay by card on the phone if you like. Do it soon, it's a busy weekend.

Then please let Ian Donnelly know by phone or e-mail on 07930 462022 or ianscotland@hotmail.com Any questions? just ask me.
