## KGT Scotland invites you once again

Yes, it's that time of year again and time to head for Scotland on the annual weekend that was once called Offshore. This year we are trying to take you somewhere new and a wee bit special. The East Neuk of Fife has some of the most picturesque fishing harbours in the UK, but don't worry, we will still find you some fantastic roads and the mountains and glens you love to ride!

### Getting there

couldn't really be easier, just head north across the toll-free Forth Road Bridge into the ancient Kingdom of Fife. Continue on the M90 until junction 6 signposted Glenrothes. From there follow the signs for St. Andrews. You won't miss the hotel in Lundin Links, it looks pretty spectacular!

### The Lundin Links Hotel—very nice, too!

Ask for Craig!  
Mention KGT motorcycle club!

Arriving on the evening of Friday 4th we'll have dinner and a drink before spending the next couple of days riding some of the most beautiful parts of the East of Scotland - parts we have neglected for far too long. From the ancient town of St. Andrews to the rugged hills of Glen Clova, this will be a weekend to remember. On Monday morning you won't want to go home!

Craig, the manager at the hotel has come up trumps and offered us a great deal at only £45 per person per night for Dinner, Bed and Breakfast. But to get this deal you need to book by e-mail at [gm@lundinlinkshotel.com](mailto:gm@lundinlinkshotel.com) and mention "KGT Motorcycle Club".

If you need to book by phone you must ask for Craig or you won't get the deal and he is not always available. Contact me if you have any problem or if you need someone to share with. In any case please let me know you are coming A.S.A.P.
